## Section 3 – Policy ownership (continued)

### 3.2 Joint ownership

#### In all provinces except Quebec

If any policy is to be owned by more than 1 person, we will set it up as *joint ownership with right of survivorship*. This means policy ownership is shared between the joint policy owners and, if the policy is still in effect after the death of 1 of the joint owners, that owner's share automatically passes to the surviving joint owner or owners.

If you want ownership of your policy to be set up as *tenants in common* instead of *joint ownership with right of survivorship*, select *tenants in common*.

☐ Tenants in common (If you select this option, complete and submit *Establishing tenants in common ownership for a policy*, NN0967E.)

#### In Quebec

If any policy is to be owned by more than 1 person, and if the policy is still in effect after the death of 1 of the owners, that owner's interest will pass to their estate unless a subrogated policy owner has been named for that person's interest in the policy.

### 3.3 Naming a successor owner or subrogated policy owner

#### In all provinces except Quebec

If there is only 1 owner and the policy may continue after that owner's death, identifying another person to take over ownership results in a faster and easier transfer. For critical illness or disability policies, this section only applies if the legislation in your jurisdiction allows you to name a successor owner.

Name of owner	Product (Example: life, critical illness, etc.)	Name of successor owner (first, middle initial, last)	Relationship to owner
---------------	---	---	-----------------------

#### In Quebec

If the policy may continue after any policy owner's death, identifying another person to take over ownership results in a faster and easier transfer.

Name of owner	Product (Example: life, critical illness, etc.)	Name of subrogated policy owner (first, middle initial, last)	Relationship to owner

## Section 4 – Beneficiary information for life insurance

In this section, *you* and *your* refer to the policy owner.

►► **Complete this section for life insurance only (including life insurance under Synergy).** For living benefits insurance, a different form is required to designate beneficiaries or direct payment. Review the following list.

#### Choosing a beneficiary for life insurance

You may choose 1 or more beneficiaries for each insured person. The beneficiary receives the benefit if they are alive and eligible, as described in the following section, when the death of the insured person results in the payment of a death benefit. If you want to choose a different beneficiary for a rider or a specific coverage, complete and submit *Beneficiary designation at a coverage level*, NN0772E, or for Synergy, *Beneficiary designation and direction to pay for Synergy*, NN1609E.

We will divide the death benefit evenly among the surviving eligible beneficiaries, unless you tell us the percentage of the death benefit each beneficiary is to receive.

You may choose both beneficiaries and secondary beneficiaries.

A secondary beneficiary will only receive a death benefit if no beneficiaries are eligible to receive the benefit. A beneficiary is not eligible to receive a benefit if they die before the benefit is payable or they are otherwise disqualified.

A copy, fax, scan or image of the beneficiary designation in this application is as valid as the original.

#### About irrevocable beneficiary designations

If you name an irrevocable beneficiary, you will need that beneficiary's written consent to make changes to the policy, assign benefits or cash value, withdraw funds, or transfer ownership. A minor can't give consent until reaching the age of majority. Parents or guardians (tutors, in Quebec) can't give consent on behalf of a minor beneficiary.

**In Quebec**, if you name your married or civil union spouse as a beneficiary, the designation is **irrevocable**, unless you select *revocable*. All other beneficiary designations are **revocable**, unless you select *irrevocable*.

**In all provinces except Quebec**, beneficiary designations are **revocable**, unless you select **irrevocable**.

#### Related forms for living benefits insurance (including critical illness and disability insurance under Synergy)

**To direct payments in New Brunswick, Newfoundland and Labrador, Northwest Territories, Nova Scotia, Nunavut, Prince Edward Island, and Yukon, use:**

- For Lifecheque, *Direction to pay for Lifecheque policies*, NN0999E
- For Synergy, *Beneficiary designation and direction to pay for Synergy*, NN1609E

#### Authorizing the first payment withdrawal from your bank account

### Issuing the policy

Insurance under each policy takes effect when

- The policy contract has been delivered and
- The first premium has been paid,

provided there has been no change in the insurability of the people to be insured since this application for insurance was completed.

- The application includes the pages numbered 1 to 30 plus all written statements submitted in connection with it.
- If you are eligible for temporary or conditional insurance and if we have accepted a premium payment in connection with this application and if we issue a policy to you based on the terms of this application, we will apply the payment to that policy. If we decline your application, or if we offer you a policy based on terms other than those outlined in your application and you do not accept the policy, we will refund the payment.

When you take delivery of the policy contract, you:

- Agree to its terms, including any changes we have made to the terms. Your contract includes this application, the policy provisions, and any attached documents, including medical reports.
- Agree that the terms of your policy will be interpreted according to the laws of the Canadian province or territory where you permanently reside.
- Must sign for it in the Canadian province or territory where you permanently reside.

You understand that the authorizations you provide will remain in effect after the policy owner and/or the people to be insured die so we can evaluate and review any claim under the policy.
